

## Notes from PCC Meeting 19<sup>th</sup> Sept 2018

**Present:** : Brian Ortmann, Ken Horsburgh, Alex Innes, Jim Taylor, Margaret Wardlaw, Cllr Linda Holt Cllr John Docherty, Cllr Bill Porteous

**Apologies:** Billy Hughes, John Bowman.

Ken Horsburgh chairing in the absence of Billy Hughes announced that another meeting has been scheduled for this evening so some Councillors and most of the Community Councillor will be leaving in less than an hour, but he would try to cover as much of the agenda as time allowed.

This unfortunately meant that this meeting was treated as secondary with only a few items getting discussed and no notes being taken.

### **Adoption of August Minutes:**

Proposed: Jim Taylor      Seconded: Margaret Wardlaw

### **Matters Arising:**

Signs on Water Wynd: it was reported that Fife Council have a list on signage and this has item has now been reported.

Other Points left over to next meeting as still to be resolved.

Gate Closure on lane to New Grange Playpark

Abbeywall Road. (Traffic speed check)

Road signage to Town Centre. JT reported he had been contacted regarding the one-way street system routing so perhaps the two should be looked at together.

Play park repairs

Abbeywall Road. (Condition of high wall.)

**A Nation's Tribute:** arrangements for wreath laying were as follows: Cllr John Docherty will lay the Fife Council Wreath. It was suggested that Ken Horsburgh should lay the wreath on behalf of the Community Council.

**PAF:** so far there has been no date for the Wash Up meeting. For the purposes of continuity Ken Horsburgh intimated he would attend on behalf of the incoming CC if requested.

**Treasurer's Report:** At 31<sup>st</sup> August the amount was £1973.43

**Planning:** Reported that there were 4 New Applications and 7 Permitted.

**Local Councillor's Report:** A meeting is being held in Waid on the 20<sup>th</sup> regarding the proposed closure of the Out of Hours Provision.

It was also reported that repairs to the Tolbooth (Clock Tower?) will be more than the funds in the Common Good account.

**NTHC:** there is nothing new to report on the new lease. An application has been made for funding to replace the emergency back-up batteries.

**AOCB:**

There were points that should have been brought up but we were out of time.

Cllr Bill Porteous expressed his thanks for the support and efforts of the outgoing members of PCC.

**Next Meeting:** To be confirmed but Wednesday 24<sup>th</sup>. October was suggested.
